

# Kindergarten Readiness

*Learning, Growth, Friendship*

Worried your child may not be prepared for Kindergarten? Our Kindergarten Readiness Program enhances your child's abilities in all pre-academic and social growth areas: following directions, listening, number/letter recognition and formation, collaborative learning skills, friendship, positive attention, productive student behavior and management of kindergarten school routines. We follow a structured daily schedule and incorporate a Kindergarten level academic program with concrete standards and goals, which build self-discipline, focus, independence and enthusiasm for academic challenge. Our students learn to work with other children on group projects and activities and they develop school communication skills. The best part of our program is how much fun it is! This program is offered on Tuesday and Thursday from 2:30—4:30 year-round.

- **Small Pupil-to-Teacher Ratio**
- **Kindergarten Curriculum**
- **Accelerated Academics, if your child is ready**
- **Multi-media Fine Arts**
- **Love-of-Literature Program**
- **Early Mathematics Fluency Program**
- **Hands-on Science!**
